Manager

Hey Everyone!

As we continue with our measures to prevent the virus from entering the community, let us know if there is anything, we could do that would brighten your day. We are open to ideas for new activities or ideas that you would enjoy. We still need to continue socially distancing ourselves from one another and you will continue to see staff in masks as we continue keeping you all safe. Just remember, we truly are all in this together.

-Tanner Erwin

Health Care Coordinator

Hello Summer!! We are tired of hearing about COVID-19 and everything that goes with it. How about some good news and good tasting treats?

Ice cream, ice cream, ice cream!! It can cool you off during a warm June day and makes the kids/grandkids happy!

Remember to limit amounts to ensure you or your loved ones do not get a stomachache.

Most of all, enjoy yourself (once the restrictions are lifted of course).

-Matt Hoskins

June IQ

There's more to June than Father's Day. Test your June IQ.

1. Which of the following does NOT occur in June?

6. What is the birth flower for June?
 - A. Tulip
 - B. Rose
 - C. Violet

Answers: 1:C 2:False 3:C 4:True 5:A 6:B

Maintenance Coordinator

Hello Everyone!

Warmer weather is hopefully right around the corner. Meaning air conditioning season is too. If anyone has any troubles with using their air conditioning, or if you aren't sure it's working correctly, please reach out to Austin, or fill out a work request in the library.

Also, make sure you look out front at the raised garden beds! We have flowers in one and vegetables in the other!

Austin Vincent

Life Enrichment Coordinator

Hello Everyone!

June is here! That seems so crazy! I don't know if its from isolation or what but it seems like winter lasted forever! I am so ready for warmer weather, being outside more and all the wonderful things that come with summer! Restrictions are slowly but surely getting lifting, which I LOVE! This has been such a long, boring quarantine and I am so ready to be able to start being able to have small group activities again and be able to see all of you more again! Keep your eye out for the June activity calendar, keep in mind it will look a little different, I made the calendar based on our current restrictions, if restrictions change, the calendar will change. So, please also look out for changes and updates as they come.

-Sky Cameron

Hello Everyone!

I want to take a moment to recognize and congratulate our senior in the kitchen, Piero! During this quarantine he unfortunately was not able to walk across the stage and receive his diploma, but we are all very proud of his accomplishments and look forward to what's in store for him in the future! If you see him around be sure to tell him congratulations on his graduation!

Congratulations Piero!

-Nathan Dance

Memory Care Coordinator

Our residents have been quite busy lately. We have been enjoying going for walks out on the patio (when the rainy weather allows), painting bird houses, coloring, and watching old episodes of "Lawrence Welk," on YouTube.

We have also been enjoying our "Armchair Travels," series where we watch videos by Rick Steves, who takes us on tours all around Europe. This last week we "spent," time in London, and even got to see clips of the British Museum. Technology sure is amazing.

This week if the weather allows, we are looking forward to planting flowers in the two raised beds out on the patio. Fingers crossed for lots of sun!

-Emily Winter
